Contributions

Contributions may be brought by the office during business hours or by mailing it to PO Box 169, Eldon, MO or you may also use Givelify.

Prayer concerns

It would be very helpful if you have prayer concerns to call into the office to get them on the list ahead of time at 573-392-8282. We will also be interacting with those that join on Facebook Live on Sunday mornings asking for prayer.

Maundy Thursday Services will be virtual, per the board and worship committee.

The church office will remain open during this time for the ministerial needs of our community.

Keeping Us Safe

The Sunday service will be virtual on Facebook Live. If you don't have internet access and Facebook, you can call the office and the service can be downloaded to a DVD that you can take home and view it from the comfort of your home.

If the board decides to make the time period for not coming together at the church longer, we will get the message out to everyone via, email, Facebook or text messaging, please watch for updates. The worship committee continues to keep us all safe by making accommodations for all during this time.

While we continue to have virtual services here a few things you might want to do before the service begins, if you would like to gather your family together and if you would like to partake of communion, you can do so by getting a cracker for each person and some kind of juice or even water.

If you are under the weather and would like Pastor Bill, an Elder or a Deacon to visit, please contact the church office.
