Sight & Sound Theatre Jesus

July 10, 11:30 AM

For those attending the show at Sight & Sound, we would like to know if you will be riding in the van or in your own personal vehicle and if so if you will be caravanning with the group. Please contact the office.

We understand we had some difficulties on Sunday with our Live feed, Facebook has made some changes and trying to figure out their system has not been easy. We are hoping we have the problem solved about going Live. The audio company that we purchased our equipment from has agreed to set up a time to attend Sunday services so that they might be able to let us know how we can improve and fix things that have been going wrong. Please bear with us we figure all this out. The service was recorded and placed on Facebook and YouTube following the service.

Thank you the Media Team

THANKS FOR GIVING

The volunteers and Board members at the Eldon Community Food Pantry wish to extend our appreciation for all you have done to help us with food assistance to those in need in our community. We have been purchasing food items such as peanut butter, mac & cheese, canned vegetables, pork & beans, canned tuna, also milk and fresh fruit/vegetable certificates. We also purchase hygiene products. Without your care and concern for others, many people would not have enough food to feed their families. Your contributions of over \$1600 in the last 4 months.

May God Bless your generosity!
