Church Security

There have been security cameras put in place in the church and the church office, also new smoke detectors and a fire suppression systems have been installed in both buildings. The church office is monitored 24-7 and the church building is monitored 24-7 for fire and smoke, the cameras are monitored during church services. This week there will also be a new door system put on the office so that people will have to be buzzed in for safety purposes. If you have a key for the church office you will need to come in and get cards and codes to enter the building, church keys will still work the same as always. As of this date there has been \$1,350 in giving for the new system, all help is appreciated, please mark your contribution in the memo line for security.
